

The Format for the Janet Barnard Rosebowl is a complete round robin over the first 4 sessions. There will be 3 matches of 18 boards and 4 matches of 14 boards. At the end of that round robin there will be one more session left to play and each team will have a 28 board match against one other team on that final session to determine either 1st place, 3rd place, 5th place or 7th place. The higher placed team of each of those pairings will start that 28 board match with an IMP carryover equal to the Victory Point difference between the two teams at the end of the Round Robin. If there is a tie between two teams at the end of the round robin it will be decided by the round robin match between those teams. If that match was a tie or if there is a tie between more than two teams then it will be decided by tossing a coin or drawing lots. Ties after the playoff match are not broken
