

Memo to all Club Members

Introducing: ClubHub

To be used by all members, Registration will start in a few weeks

How it works

ClubHub simplifies and speeds up membership management using online web access and organises all the information the office staff need in an efficient and easy to use way.

- **Step One: Members join online**
Members register online at the website address you will be given. (This will be using the club's own website with a button for online registration).

Technology at the Auckland Bridge Club, timeline of progress

1. Eftpos
2. Scoring Tablets
3. Xero new accounting computer system
4. Club Hub
5. Tablets talk to Club Hub who has played Bridge, the system deducts a CREDIT from the players account

2020 & beyond at the Auckland Bridge Club:

Both Tauranga & Cambridge Bridge Clubs are doing this already

- The office will help everyone be comfortable with the changes
- We love the tablets, we will love Club Hub

Save costs in the long run, no more printing vouchers, wasting paper
