# *Andy Braithwaite*

**Internationally acclaimed bridge player and teacher Andy Braithwaite has represented both New Zealand and Australia on twelve occasions. He is a four-time Australian National Champion and a three-time Australian Seniors Champion.**

**Andy is also a highly regarded bridge educator, having written widely for NZ Bridge on bidding and leads. His award-winning article “The Knowledge Coup” earned a journalism prize at the Nationals in Perth. A popular and engaging speaker, Andy has presented seminars in Auckland and lectured at numerous congresses around the country. He now returns to Auckland with an exciting and refreshing approach to teaching, helping players eliminate errors rather than simply learning new tricks.**

**On 15 February, Andy will explore the emotional side of bridge, linking feelings at the table to common problems through a light-hearted look at the Seven Deadly Sins.**

**Don’t miss this opportunity to see how you measure up, and discover how to take your game to the next level!**
