

Format for Junior Inter-Club

There are 20 teams entered.

The format is a full round robin. 19 Matches.

The first 8 months there will be 2 matches of 12 boards each month.

In November there will be 3 matches of 8 boards each month.

Opponents will be swapped halfway through each match so most sessions will be 4 stanzas of 6 boards. Perhaps changing opponents every 4 boards could be a bit distracting for the 3 matches of 8 boards in November, but it is the only month with 3 matches.

Matches will be scored with the correct VP scale for 8 or 12 boards and each match will be given equal weighting for the scoring regardless of the number of boards.

Any ties at the end of the event will not be broken.
