

The draw for the 1st match in August is on the results page. That completes a round robin. The seven teams you play for the remainder of the year is in the format. It is based on the standings at the end of July.

The top 4 play each other in the last 3 games for an exciting finish. In some cases, the same teams play in two consecutive months. July-August or August-September. Most teams play each other twice. It is not ideal that those matches could be in consecutive months, but it was hard to avoid
