

Congratulations on registering with BBO. This is the screen or a similar to what you see when you logon to the site...(there maybe some differences if using an ipad or mobile phone).

To register to play in the Monday or Thursday 10.30am game you will need a partner or you can put your name down at the partnership desk – Either way please click on [Competitive] on the left hand side of the screen.

This will take you to this screen.

Now click on [Free Tournaments] on the left hand side of the screen.

This will take you to a screen similar to this:

The session we are playing will be called **Novice Kiwis by AKBC**. When you click on this column (Title column) it will take you to this screen:

Enter your partner's Bridge Base username on the line. Then click [INVITE]. If your partner is not logged onto Bridge Base, then you will be unable to do this. If your partner is doing this for you, then you will receive an invitation, and it will ask you to accept or decline. Once the invitation is accepted, then you won't need to do anything until play starts.

If you don't have a partner then click on [Partnership Desk]

Click on add your name, REMEMBER this is your BBO username 😊

If another name is already there then you can invite them to play with you.

The links below, may help you with bidding and other bits as well. There are also various you tube videos and the Auckland Bridge Club website has that information.

- 1) Written by Victoria Bridge Club- this is a document about how to bid etc as well as how to start your own table so you can play with friends.
