**Alert Level One:** The Club operates normally, asking people to scan the QR code, to practice good cleaning and cough hygiene, and to stay away if feeling unwell or uncomfortable.

**Alert Level Two:** The Club will seat everyone apart as proscribed by social distancing rules. Mask wearing will be mandatory and no food or drink will be provided, so please bring your own water bottle or thermos. Cards will not be used, but Julie will be talking through the practice hands that are normally played with the assistance of a bridge online programme. Numbers permitting, a follow-up will be organised with the hands being played at an online session later in the week.
